1) Decide What You Want

What do you want?
Do your research.
Put it all down in writing (building a home).

2) Find Someone Who Has This

Select a mentor.
Someone you respect.
Someone who is willing to teach you.

3) Find Out What They Did

Take them to lunch.
Find out exactly what they did.
Develop your written game plan.

4) Do Exactly That

Don't change things.
Remember Mrs. Hanby's class?
Take the all out massive action approach.

5) Continue Until...

Know that it's possible.
Achieve your desired result.
Develop a "whatever it takes attitude."
