Stephen R. Covey, internationally respected leadership authority, organizational consultant, New York Times Best Selling author and teacher of Principle-Centered Leadership boldly declared: “*The call and need of a new era is for **greatness.** Tapping into the*

*higher reaches of human genius and motivation requires leaders to **have a new mind-set, a new skill-set, and a new tool-set.***”

What are you doing to get your mind-set, skill-set and tool-set renewed to experience great success? Human beings are four dimensional: body, heart, mind and spirit.

Most everyone we know wants to live well (body), to love and have great relationships (heart); to learn, grow and progress (mind) and to create meaningful experiences, contribute value and leave a legacy (spirit).

Interested in fulfilling any of those wants and needs? You are! Because you're reading this article and are looking for real advantages to your success.

As you improve any one of those four dimensions the other three benefit also. So, let's talk about learning, growing and progressing or in other words getting a **new mind-set, a new skill-set, and a new tool-set**. By the way, as you effectively use these new sets you will likely start achieving new and better results!

The Key Productivity Skill-set that Changes Everything in Favor of Your Success is high-performance reading! And the new tool-set you want is called *EyeQ Advantage*. Read on because **this tool-set really works** allowing you to **gain a genius new skill-set** that will astonish you and open the way for **your new mind-set of greatness** and new successes to achieve and enjoy!

The EyeQ Advantage process literally enables your efficiency quest while expanding your effectiveness qualities.

When you practice this new tool-set every other day for just seven-minutes a day you will see clear evidence that your reading, comprehension, recall and use skills working better for you. We believe the EyeQ Advantage tool-set will become your personal high-performance tool-set of choice just like it has for **over 1 million people worldwide**.

It will awaken your genius by stimulating your neural pathways to intelligence and you will see yourself being more and more productive. As you persist in practicing with this simple digital software tool you will begin to **experience your expectations quickly** and be on the real path to achieving greater success.

One of the most obvious gateways to your miraculous brain is through your eyes! This validated brain-enhancement tool literally **Exercises Your Eyes Quietly** which strengthens your visual awareness capability.

Your visual perception will expand allowing you to see more, process it faster, recall it quickly, and use it to your advantage.

This digital high-productivity program will simply work wonders for you.

The **EyeQ** program combines revolutionary learning techniques with the efficiency of a computer. You will experience the new skill-sets of expanded awareness, increased reading velocity, improved understanding and meaningful/timely application.

Your precious time will become increasingly more valuable as you speed through email, comprehend communications more completely, enjoy learning that lasts and literally enjoy more time to get the right thing done through personal informed influence and consistent credibility.

Truly, the one thing, done exceptionally well, that will make the biggest difference in every other thing you do in your quest for success is EyeQ? Thousands of business builders have honestly answered this question. "Enhance my ability to read, understand and apply the blasts of information that constantly me my way every single day!"

What about you? What would you be able to accomplish as the velocity of your reading and understanding were doubled or tripled? Think of it. What is the "job to be done" by your reading emails, market-trend reports, product information, customer testimonials, etc. Isn't it to understand and connect your customer's wants and needs with the solutions and experiences you're providing for their success?

So, when you speed up your velocity of gathering, understanding and applying vital information you literally increase the velocity of your business success!

We know EyeQ works! We believe it can help you energize your eye quickness and help you execute your expectations quickly!

The EyeQ productivity kit includes several other tools which support your total learning process. Eye-brain exercises, mind-challenging games and velocity-enhancing routines to maintain your high-performance capabilities.

Is your existing “system” of learning and performing a GREAT system? Is it aligned to achieve your highest priorities? Are you effectively gathering and quickly processing the right information to give you a competitive advantage in your business building? Does it enable you to be the best?

“Execution”, says Ram Charan, co-author of *“Execution: The Discipline of Getting Things Done”*, “is the major job of a leader...” With so much to learn and understand about your industry, your customers, their wants and needs, your product, and the competitors going after your prospects- you want a real advantage! Give yourself the advantage of a new tool-set, a new skill-set and a new mind-set to succeed. As you shorten the time and effort it takes to gather and understand all the necessary and sufficient pieces of information for your credibility you will also gain the ability to execute your expectations quickly.

Learning, understanding, applying and executing are all LEADING INDICATORS to your success.

Hitting your numbers, meeting your goals, achieving your mission, filling your purpose – those are all lagging indicators. Great leaders work on the leading indicators of success.

EyeQ enhances all the right leading indicators for your success! As you activate your new skill-sets of gathering relevant knowledge, quickly processing it and understanding it more deeply you literally improve your ability to communicate more effectively. The vital details your prospects and customers want and need are rapidly recalled and recited by you with confidence. They trust you and your credibility in their eyes increases. Your prospects and customers have more confidence in the solution you’re presenting to them. Their purchase decision is made faster so they can immediately apply your solution to their advantage. You effectively

provide them with the experience they want and the exact solution they need. Your well-informed execution leads to your short-term and long-term success!

LeRoy Maughan's passion for *BEING* flows from a universal truth taught to him through the exemplary actions of his grandmother Mary Jones Rigby. "My Child," she taught: "I admonish you to study life that you might see, hear, question, evaluate, understand, know, love and speak. For the glory of God is intelligence and the power of God is love."

LeRoy mentors company leaders and entrepreneurs, facilitating learning experiences and skill-practice sessions aimed at deliberately creating desired results by abiding by the precepts of choice, awareness, intent, attraction and influence.

He has worked with six best selling authors; delivered life-changing events in every major city in the USA; lead training meetings internationally in Canada, Ireland, Germany, Switzerland and Australia.

He is the Business Development Consultant to the Direct Selling and Network Marketing industry for Podango. LeRoy thoroughly believes the Podango process provides the most complete and powerful communication exchange portal in the world to networkers and the communities they serve.
