The Network Marketing Entrepreneur

What is the solution for long term income in today's economy?

by **George Madiou**

468 words | 3 pages

Many people today have grown up with the notion of, "get a good job and the job will take good care of you." Unfortunately, that notion doesn't work for many, many people. Today, people are looking for a solution that is going to work for them and their family. Taking control of your income, by starting a business, is the one solution, that you will have total control over.

Few of us were taught how to become an entrepreneur. Starting your own business is an option as one of the best and most economical ways of being able to start an entrepreneurial life.

This is where network marketing comes in. There are literally thousands of businesses that can be started in the network marketing industry. These businesses, run the gamut of every interest that you could imagine and one of the greatest things about getting involved in the network marketing industry is that it is one of the most economical ways of starting your entrepreneurial venture.

Network Marketing is also one of the few industries that offers top experts to show you how to become successful in your business. You might ask, where do I start? It doesn't matter whether or not you've had some experience in network marketing industry, or this is your first experience at it. My suggestion is to become a "pro" member of the www.NetworkMarketingMagazine.com and have over 200 experts mentor you. Start by learning about this industry. Get the tips and clues on how

to become very successful by scrolling down the subject index and become a master entrepreneur!

Aim high!

George Madiou
Publisher and Co-founder

www.TheNetworkMarketingMagazine.com

George Madiou is a full-blooded Entrepreneur, complete with validating credentials, Degrees in Marketing and Management from SUNY and NYU (could ya guess he's a native New Yorker!) To date George has owned over 30 businesses, and says they varied from wildly successful to outrageous learning experiences. Among other successful ventures George has achieved high pin levels in two different network marketing companies.

George loves the thrill of teaming up with great people and seeing projects come to life and that passion is responsible for this magazine getting off the ground. George partnered with his good friend John Milton Fogg and here we all (and we includes you the reader) are, making history happen.

George lives in a small town named Boca Raton, Florida. He says "If this isn't Heaven, I know that God at least vacations here." Without question, the joy of his life is his family. He and Debbie are celebrating their 30th anniversary this year. They have two great young adult children, Sara and David.
