You can be a total winner, even if you're a beginner
If you think you can you can, if you think you can you can
You can wear the gold medallion, you can ride your own black stallion
If you think you can you can, if you think you can you can

It's not your talent or the gifted birth
It's not your bank book that determines worth
It isn't in your gender or the color of your skin
It's your attitude that lets you win

You can live with "coulds" or "shoulds," or be like Tiger Woods
If you think you can you can, if you think you can you can
Even if you're hesitant, you can be a woman President
If you think you can you can, if you think you can you can

It doesn't matter what you've done before
It makes no difference what the halftime score
It's never over 'til the final gun
So keep on trying and you'll find you've won

Just grab your dream and then believe it
Go out and work, and you'll achieve it
If you think you can, you can
If you think you can, you can
